

RWANDA AND ITALY B2B EXCHANGES TO ENHANCE GREEN GROWTH IN BOTH COUNTRIES

THURSDAY, 15 OCTOBER 2020

10:00-12:00

Name of the company	3R FOR GREEN Ltd
Sector of activity	Energy
Country of operation	Rwanda
Stage of business	Start-up (1-3 yrs)
Describe your project proposal	The product that my business presents is another alternative for making good use of plastics waste rather than landfill and incineration; it is the conversion of plastics waste into fuel.
Revenue in 2019	Up to 1 Mln US Dollars
Number of employees	1-10
Looking for...	Partnership Investor
If you are looking for investment, how much it should amount?	500 K - 1 Mln US Dollars
Please explain the environmental/social impact of the project (emissions reduction, job creation, gender equality...)	Within my community, my business will create jobs for all classes of jobs seekers, contribute to the environmental protection of the region and avail the fuel on a good price. My business will also contribute to my country's job creation / social development by addressing the unemployment issue, avoiding most of the non-biodegradable waste in

In collaboration with

	landfills and contribute to the local currency protection by reducing importations of fuel. In addition, the revenues from this activity will boost the development of the country through poverty reduction and payment of taxes.
